it's time to breathe again and together.

inhaling and exhaling the world.

conspiratorial meetings.

finding places and islands of time.

time for each other; peaceful, silent places for each other.

finding ways to say "NO" and "ON".

spending time together—hopeful, without fear.

this collection is a declaration of love to beauty.

still alive...

*finding a peaceful and silent place to breathe, to listen, to meet each other—
faced with a world such as ours.*

playing sustained sounds, alone or mingling.

sometimes a silence descends.
