it's time to breathe again and together.

inhaling and exhaling the world.

conspiratorial meetings.

finding places and islands of time.

time for each other; peaceful, silent places for each other.

finding ways to say "NO" and "ON".

spending time together—hopeful, without fear.

this collection is a declaration of love to beauty.

far off

for drone and nearly nothing more

eva-maria houben

2020

peace seems to be so far off—and sometimes nearby at the same time.

not exactly knowing where to go.

longing for regions, which are far off, remote, and fragmented.

a drone

a rather low-pitched or unpitched sound. very, very soft;

perhaps scarcely audible.

of (rather) long duration.

nearly nothing.

perhaps some soft breezes—some breaths of air.

sprinklings of partials.

some breathings, some whispers, gestures, gazes...
