finding a way into silence.

^_____ : one rather high sound with an extraordinary high amount of air.

∨_____ : one rather low sound with an extraordinary high amount of air.

◇: very airy sounds, more air than recognizable pitch—appearing and disappearing, unfolding their spectral richness during a rather short duration.

maybe you are putting weights on the keys while the sustained sounds are sounding.

using variable key pressure and/or variable and fugitive positions of the stops for all sounds.

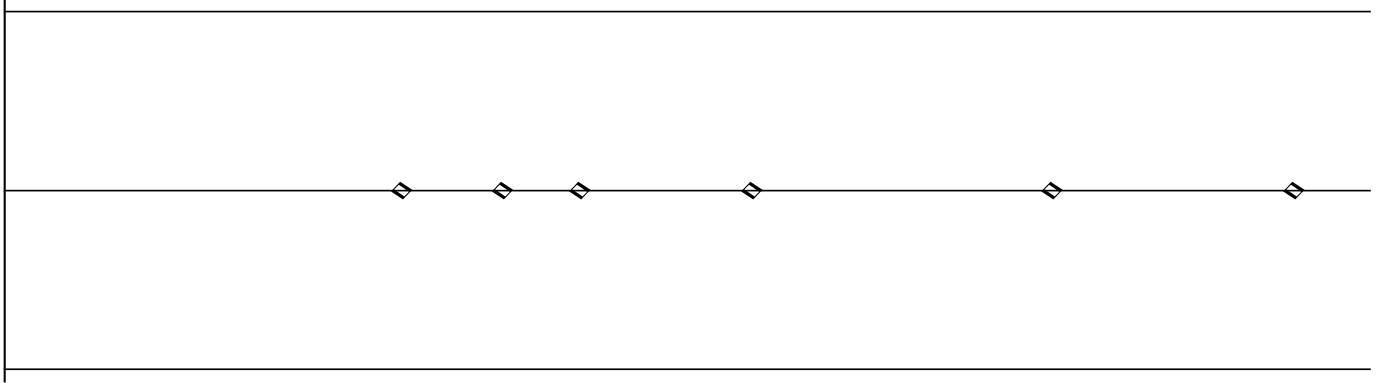

performing slowly.

the proportions of the score do not reflect exact measurements.

any tempo—considering the specified durations as a very rough orientation.
