for carson cooman.

a cry comes out of the depths of the abyss.

the abyss calls the abyss.

(listening to olivier messiaen)

a piece of a rather high volume.

organ pedals:

parlando. quasi recitativo.

brevis, whole note, half note, and quarter note: approaches to the oscillating and fluctuating melodic line—giving at most some hints at variable values.

a strong tone.

a powerful sound, maybe recalling the sound of the trumpets of Jericho.

manual(s):

enveloping the parlando gesture of the pedals.

the chord enters with the first pedal tone.

during the chant of the pedals the chord dissipates (any tempo), one tone after the other is released (any order).

maybe the parlando gesture even gathers strength by and by—depending on the colors of the organ.

in this case the dynamics of the chord follow.
