a broad place

ensemble of solo players, duos, trios, and quartets (var.)

eva-maria houben

2022

for guy vandromme.

playing for themselves as a solo player, finding other players within a duo, a trio, or a quartet constellation—each player finding themselves and one another among all the other players of the ensemble.

reflecting the actions of each other.

finding together a path into silence.

10 solo players, 5 duos, 5 trios, 5 quartets.

any constellation.

● : rather soft.

○ : softer.

⊙ : nearly inaudibly soft.

the arabic numerals indicate the stations of the process.

any pitched and/or unpitched instrumental, electronic or vocal sounds, noises.

the solo performers playing for themselves, following their own pulsation. the performers within a duo, trio, or quartet playing simultaneously—finding a more or less even pulsation for the group.

1. silence: all performers meet each other in the open space of this silence—each solo, duo, trio, or quartet player, who already concluded, waiting for the other players. after a while a solo, duo, trio, or quartet continues, the other players follow in their own pulsation.
2. silence: all performers meet each other in the open space of this silence.
