one sound or no sound 7

a collection for duo (var.)

eva-maria houben

2022

for Antti and Panu

*capturing in a touching, almost tender way the transitive quality of life and its
reminiscent traces.*

finding together a path into silence.

each piece is based on the practice: one sound or no sound; sounding or remaining silent.

I: one player

II: the other one

any octaves.

pitched notes indicate zones of pitches: for example, “e” can mean a sound between f and e flat.

rather soft

softer

very (nearly inaudibly) soft

each one for themselves
