for Antti and Panu

*capturing in a touching, almost tender way the transitive quality of life and its
reminiscent traces.*

finding together a path into silence.

each piece is based on the practice: one sound or no sound; sounding or remaining silent.

I: one player

II: the other one

any octaves.

pitched notes indicate zones of pitches: for example, “e” can mean a sound between f and e flat.

rather soft

softer

very (nearly inaudibly) soft

for a while

for quite some time

*following the process from "soft" to "softer" to "almost inaudibly soft" -
each one for themselves*
