lamento cantabile
ensemble (var.)

eva-maria houben
2023

the mute lament

as well as the loud scream

the common cry

as well as the individual tears

the past weeping and mourning (even of pre-antiquity times)

as well as the current grief

finding an articulation

in the choir's singing

as well as in the single canto

21 lines.

each line in any octave, maintaining this register for the whole line.

exception: the last sound of the line (diamond) may be any sound.

for example

- playing one line after the other, thus playing all lines?
- playing one line after the other, starting anywhere, concluding anywhere?
- playing some single lines?
- playing the lines backwards?

for example

for example

- playing in unison?
- playing in a kind of false unison?
- bringing into being all together a line (including repetitions of a tone)?
- bringing into being all together a line, thus including small gestures, fragments of chords, of melodies?

for example

for example

- any concluding?

for example

- any durations?

for example

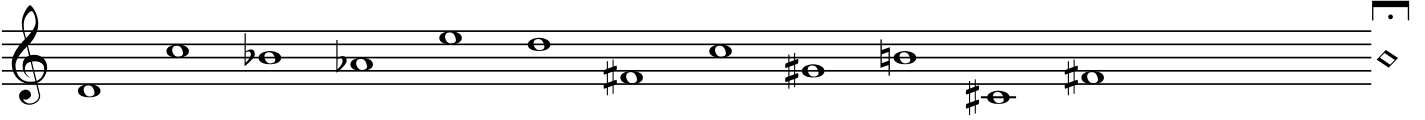

- any dynamics?

for example

- senza tempo?

for example
