organ sonata no. 2

organ

eva-maria houben

2023

twin composition: "some hymns" for organ (2023)

fragments of melodies, chords: lontano.

ringing out from the distance, from across the surrounding world, from forlorn countries.

recalling old sermons, half-forgotten anthems, ancient canticles.

scattering traces of consolation, confidence and hope.

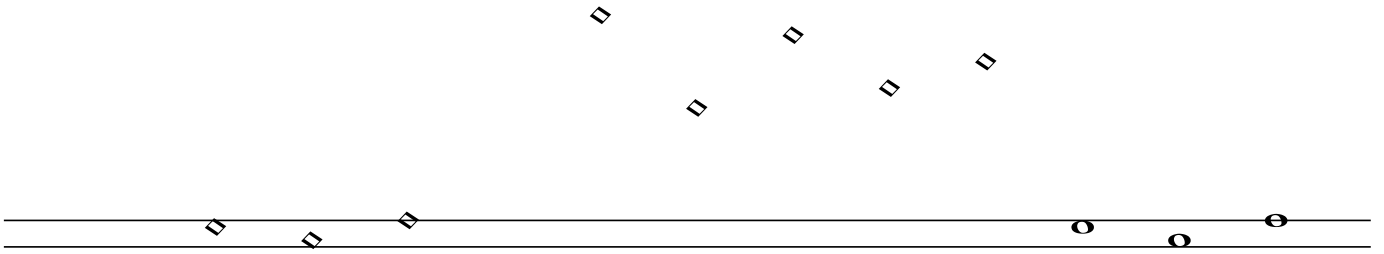

◇: airy sound, high amount of air (variable stops, variable key pressure).

maybe using weights or wedges.

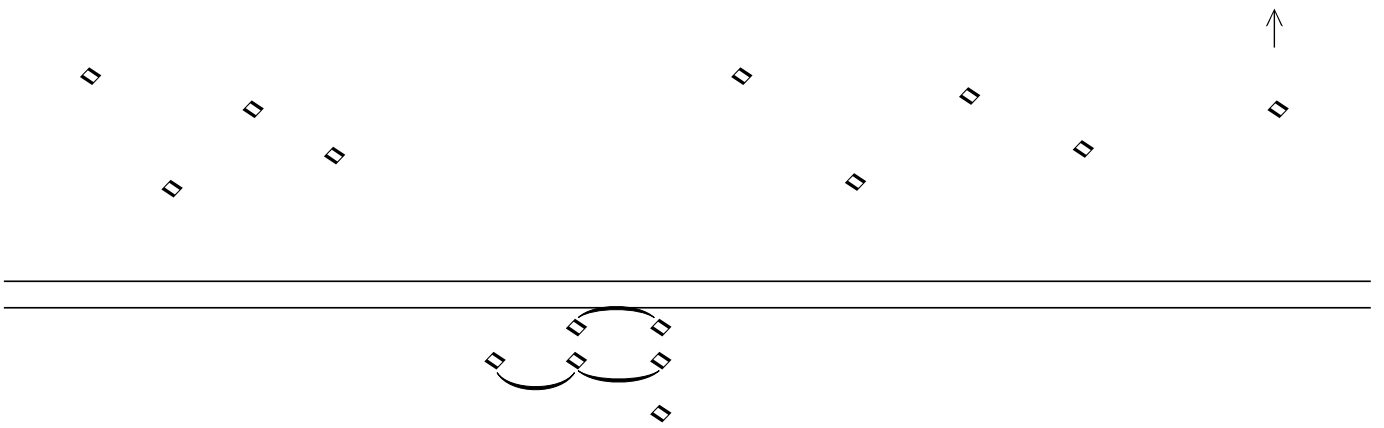

an arrow upwards means: very high pitch.

any durations, any overlaps.
