

interludes – collections of minor details
collection 2: somethings

ensemble (var.)

eva-maria houben

interludes – collections of minor details

for any kind and number of voices, instruments, objects, electronic devices, toy
(or self-made) instruments, field recordings, fixed media

collection 2: somethings

eva-maria houben

2025

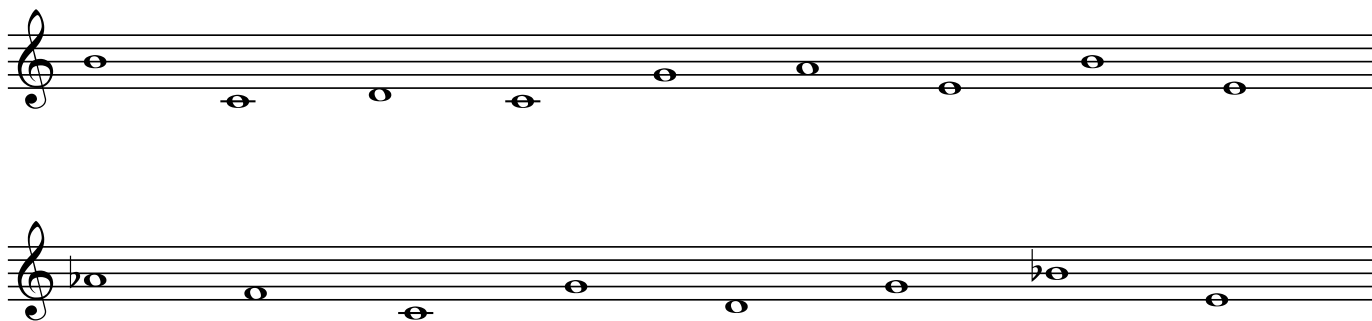

For Istvan Zelenka.

spending some time together.

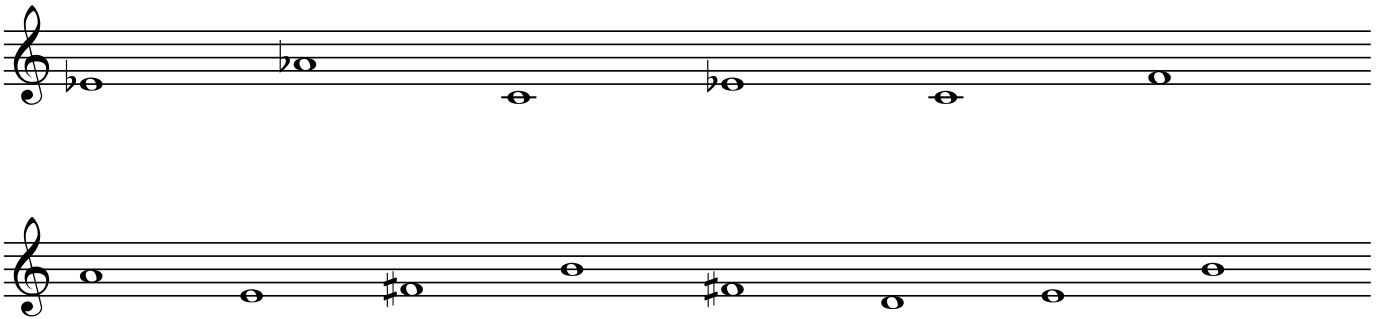

in one way or another.

searching and (maybe) finding.

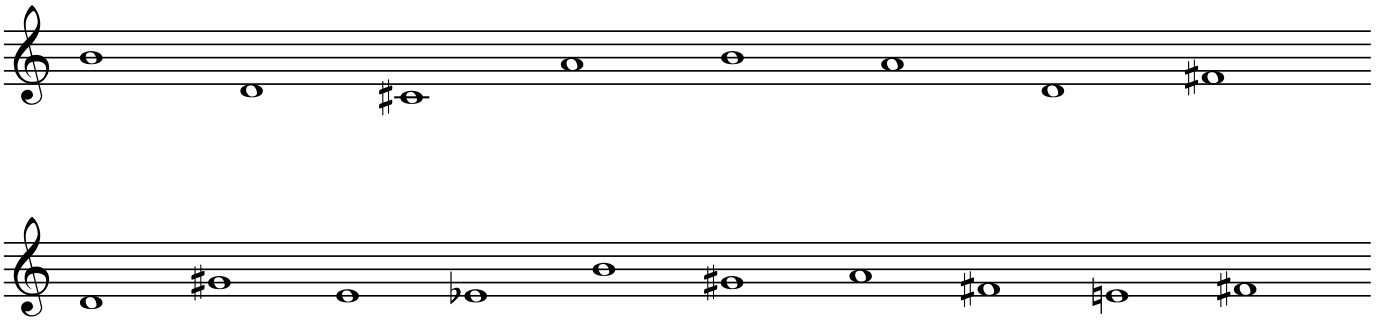

welcoming the specifics of the site and all signs of life from inside and outside.
